The mayor asked a question of the council about the Lutheran Church. Further discussion to come.

Next it was discussed the Fire Station. We has a quick meeting on the 18th of May and rejected the 2 bids for the new build. They were just too high. It was suggested that perhaps the city sheds at the north end of town would work if there was some remodeling done to them. Greg Scherb was going to talk to the other members to get their opinion on it. It is on hold for now.

It was brought up about getting a flashing red light in town so maybe people would at least slow down. There have been people that go straight through both stop signs on their way early in the morning.

Fourth of July was talked about next. Doug is going to call and get a dumpster and the porta potties ordered. Jeremy is going to help guild the parade participates at the south end of town. City clerk is going to ask Biz Wiz about the fireworks this year.

The mayor will not be in town for the 4th of July. Jeremy Hobbs volunteered to help Homer with telling everyone people where to park and such along with the placing and pick up of the street cones.

The next regular council meeting will be held Monday July 3rd, 2023 at 4:30 pm.

There being no further business, a motion by Sanden was seconded by Langfald to adjourn at 7:35 p.m. Motion carried.

Doug Harmon, Mayor

Mary Faulkner City Clerk
