Allied Systems came to adjust the timing on the pumps. They were going off every minute which was adjusted to at first 10 mins. And then 7. It is still a learning experience to see how the pumps can be made to run the most efficient. Lee Electric will be on call for us if we have more trouble.

We received a bid from TJ Hanson for snow removal for the 23-24 winter season. The council voted and accepted his bid. Mayor Harmon will let him know that he is hired!

2 bids were received to pressure was the cement and walls at the county sheds in preparation of the remodeling for the Fire Department. The lowest bit came from PigPro at 600.00. This was voted on and accepted.

Mayor Harmon brought up the new business that is looking into building (The Coffee Tree Group). He had a meeting with them and Winn Worth Betco. It was discussed on what kind of incentives locally that could benefit them to build in Scarville. More to come on that!

Trick or Treating will be from 5:00 to 7:00 on October 31st
