Turf Trimmers - 480.00	Winn. County Auditor-1205.87	
Singlestad – 21.47		

The first thing Matt Leuwerke was sworn in as the replacement of Orlyn Rosen to finish out his term. The next thin was Andy Buffington from the department of Emergency Management stop and wanted us to fill out a survey on Hazard Mitigation.

Next Greg Scherb gave us an update on the Fire-station. They have decided to have a meal on September 7th with the ribbon cutting. They should be moved in by then. Greg did bring up that it is very humid in the buildings and that the dehumidifier is not keeping up. We will have to figure out something more. It was also discuss the new well and what is still needed for that project to begin.

Nick Bloedal stop by with a drawing of his facility and how he would like it to be. This was just a draft subject to changes. He would like to talk more about possibly purchasing part of 2nd street. He is also gathering information for water usage. He may have to dig a new well or possible hooking into the cities.

The next topic was where the residents are going to put their yard waste this fall. There were ideas about a possible dumpster brought in with a shared cost to the residents.

Next thing brought up was the incentives for the Coffee Tree Group. The council needed to vote if they were still in agreement with the incentives that they has suggested to them.

Next Carla has asked about who was going to take over renting out the community center. An idea was brought up that there could be a code box on the outside of the building for people to get the key and the reservations could be on line. More to come on this. There being no further business, a motion by Lynn Sanden was seconded by Corey Mathahs to adjourn at 8:02 p.m. Motion carried.
