Mayor Harmon was in contact with The Coffee Tree group and they said that they are still planning on coming to Scarville. Along with the business being built that are possibly going to build 3 homes as well. More to come! I was approved by the council of a 5% increase for sewer for all residents and \$20 increase for the churches beginning the first of the year. The sewer system is going on 10 years old and there is a need to increase just in case of costly repairs. Clerk will send out letters to all residents.

The city clerk asked about the Fireman's checking account that was opened for the remodel. With that finished she asked permission to close the account as it cost \$6 dollars every month. A motion was made by Guy and seconded by Lynn to close the account and put the funds in the general account.

Bids are now being accepted for the 2025-2026 snow removal. If anyone knows of someone that might be interested, then they can contact the city clerk by email or mail.
